## Ready to take the next big step in your career?

If you want to be the best, you need to learn from the best. At Aspire2 Education our tutors are experts in their fields, highly passionate about their profession and eager to share their knowledge and skills.

If you are looking for a dynamic and supportive study environment – an environment that will unlock your true potential – you’re in the right place.

Our friendly, expert tutors will build your industry knowledge, develop your practical skills and equip you with the soft skills you need for employment success in your chosen field.

We are a “whanaungatanga” – an extended family that gives each member a sense of belonging – and you will become a valued member of that family.

As a student, Aspire2 Education has everything you need – friendly support whenever you need it with your study or getting a job. We are here to help and encourage you.

We can’t wait to meet you on your first day!  
Welcome to Aspire2 Education

Sunil Bhargav- GM

# WHY CHOOSE ASPIRE2 EDUCATION?

## OUR PEOPLE ACHIEVE THEIR GOALS

---

Aspire2 Group is committed to providing a rich and diverse learning environment. We are therefore excited to launch Aspire2 Education, offering our world-class programmes to domestic students. Delivering relevant and up to date skills and hands-on experience are what we stand for, and we're proud of the thousands of graduates who have successfully completed their study with us and moved on to employment or further learning.

Strong ties to industry set us apart from the rest. Here at Aspire2 Education, the programmes we offer are closely designed and aligned with what New Zealand employers are looking for so our skilled graduates are in high demand.

Our Vision to 'enable our people to achieve their goals' is embedded in everything we do. We will help you set ambitious and achievable goals and we are committed to enabling you to achieve them.

### Expert Tutors

Launching or extending your career begins with a positive, engaging study experience. Whatever path you are taking, that's just what you will get by working with our dedicated and talented teachers, and enjoying our welcoming campuses.

### Happiest Campus

Our student experience team are dedicated to creating life long memories. Life at Aspire2 Education isn't all hard work. It's good to balance study with plenty of fun, and that's why we organise activities to encourage you to mingle with other students.

**Aspire2 Group Limited  
is New Zealand's  
leading private provider  
of international and  
domestic education and  
vocational training.**

**PART OF  
ASPIRE2  
GROUP**

**Aspire2 Group provides education and vocational training to domestic, international and business to business students. Our vision is to create future opportunities for our students by providing world class programmes. Our overarching objective is to deliver the best possible employment outcomes for our students.**

Aspire2 Group has three divisions across international, domestic and business to business. This formidable combination delivers not only the highest quality education experience, but internationally recognised qualifications, pathways and opportunities to meet and work with New Zealand employers.

Together we are focused on creating your future opportunities.

# OUR CAMPUSES

**Aspire2 Education has two campuses in New Zealand's most vibrant cities. Located close to shopping malls, restaurants and theatres our campuses offer students everything they need right on their doorstep.**

Aspire2 Education nurtures relationships with the business communities in each city, creating opportunities for you to get practical experience through part time employment while you study, and helping you launch your career.

Each campus has the facilities you need including: a student café and courtyard, free wi-fi, a student library (Christchurch eLibrary only).

## Auckland

Our Auckland campus is located in the heart of the city amongst the country's top art, culture, and commerce.

## Christchurch (TBC)

Our campus is centrally located two city blocks away from Christchurch's famous photographed sites and landmarks.

# NEW ZEALAND DIPLOMA IN I.T TECHNICAL SUPPORT

## LEVEL 5

---

Looking for a career in an ever-expanding industry? This Level 5 course will set you up for work in the New Zealand I.T. environment, or provide you with study pathways to go on to further studies in the field of Information Technology.

### What will I learn?

Learn to install IT hardware and systems software, and build your operational knowledge of networking, database administration and IT service management. Tackle troubleshooting, problem solving and interface design; and learn how to create basic computer applications.

### Core Papers

There are eight modules that include the following topics:

- Computer Hardware
- Programming Fundamentals
- Database Design and Implementation
- Interactive Digital Media
- Computer Networking
- Systems and Application Software
- Professional Practice
- Technical Support

### Employment Pathways

Graduates of this diploma will have the skills and knowledge to work in roles such as computer technical support, help desk and technical support officer, entry-level network administration, network engineering, and applications support analysis roles.

### Fees

*Free if eligible for fees free*

Fees Normally: \$9,950 (tuition \$9,100 course related costs \$850)

### Am I eligible?

Applicants must be 17 years of age or over and will be eligible on the basis of meeting the requirements below academic requirements

Applicants must have either a NCEA Level 2 or 3 (with University Entrance); or provide evidence of achievement at an equivalent level; or a qualification in Computing, Information Technology or Digital Technology at Level 3 or 4; or an equivalent qualification in Computing, Information Technology or Digital Technology.

Applicants must be proficient in English. *Our courses are taught in English, so you need to be able to read and write well in English to understand the course content and requirements.*

Free Training Eligibility: Students must be a New Zealand Citizen, Resident or Australian Citizen with fees free available, check your eligibility [here](#).

### Level 5 Diploma

120 Credits

### Duration

40 Weeks

### Locations

Auckland

\*NZ domestic students study at no cost thanks to the Fees Free scheme.

Must be a NZ Citizen or Resident and have fees free available,

visit [feesfree.govt.nz](https://feesfree.govt.nz) to check eligibility

Learn everything you need to know about I.T Infrastructure and become an invaluable member of any organisation.

# New Zealand Diploma in I.T Infrastructure, with strands in Networking and Systems Administration

## LEVEL 6

Calling all aspiring systems administrators and desktop analysts. New Zealand needs you! Build your technical and specialist skills in IT support with this one-year diploma and gain an internationally relevant qualification that will fast track your career. Expert tutors, practical training, and great pathways to employment.

### What will I learn?

Learn everything you need to know about IT Infrastructure and become an invaluable member of any organisation. Align yourself with network or systems administrator I.T. roles, or with higher academic I.T. studies.

### Fees

*Free if eligible for fees free*

Fees Normally: \$10,500

Tuition: \$9,100

Course related costs: \$1,400

### Core Papers

There are ten core modules that include the following topics:

- Core papers
  - Infrastructure as Code
  - Network Services
  - Introduction to Cloud Computing
  - Network Security
  - Automated Systems Deployment
  - IT Project Management
- Networking strand
- Systems Administrator strand

### Level 6 Diploma

120 Credits

### Duration

41 Weeks

### Locations

Auckland

# KEY INFORMATION FOR STUDENTS

## Student fee protection

The New Zealand Government requires all New Zealand Qualifications Authority (NZQA) registered Private Training Establishments to protect student fees paid to them in advance. We are registered for Fee Protect through The Public Trust, which has an unsecured capital guarantee from the New Zealand Government. For further information visit [www.feeprotect.co.nz](http://www.feeprotect.co.nz)

## Pastoral care

Aspire2 Education promotes the wellbeing of students and supports them during their studies. We have agreed to observe and be bound by the Code of Practice for the Pastoral Care of Domestic Students. Copies of the Code are available on request from Aspire2 Education or from the NZQA website at [www.nzqa.govt.nz](http://www.nzqa.govt.nz). You should make sure you have read and understood the Code.

## Warnings

Formal warnings will be given to students who take part in: poor attendance, academic misconduct, and behavioural misconduct. All warnings will be recorded, and warnings remain valid for the duration of the programme of study. In cases of Academic Integrity or Behavioural Misconduct where the violations are considered to be particularly significant an immediate Final Warning can be issued, or the matter can be immediately referred to the Disciplinary Committee.

## Student withdrawals and fee refunds

Our fee refund policy is in accordance with the Education Act 1989 and amendments, and applies to international and domestic students. Please refer to our website for details [aspire2education.ac.nz](http://aspire2education.ac.nz)

# HOW TO ENROL

Launch your future.
